What pupils need to know or do to be secure	
Key knowledge and skills	Possible evidence
<ul style="list-style-type: none"> Children will continue their learning on from people who help us to explore more roles in society. Children will be able to name some of the places and facilities in Dereham. Children will be able to describe their school environment, and say how it is different to other places. Children will be able to describe the weather in short sentences and match to the correct symbol. Children will know that we call this time of year spring, and be able to describe in simple sentences what they can see when exploring the natural world (in school) Children will show some consideration for the natural world, treating any natural school features with care (e.g. not pulling twigs off trees). 	<ul style="list-style-type: none"> Children can role play as different people in society- in Dereham. Children can role play within small world. Children will describe daily weather in maths meetings. Children can explore the school grounds to observe signs that it is spring. Photos and quotes can be taken to

<ul style="list-style-type: none"> Children will develop understanding of directions related to movement throughout school day as they develop their listening and attention skills. 	<p>show their knowledge and understanding.</p> <ul style="list-style-type: none"> Photos and verbal quotes can be taken which show children's consideration for the environment, and what they can see/hear/feel/smell/hear. Children can create pictures to show spring, and the differences between autumn, winter and spring.
<p><i>Key vocabulary</i></p>	
<ul style="list-style-type: none"> Dereham Town Shop Café Bank Church Post office Supermarket 	
<p><i>Common misconceptions</i></p>	<p><i>Books linking to this area</i></p>
<ul style="list-style-type: none"> Children may find it hard to understand the different roles in society if they have never seen or experienced different people and places, e.g. a police station. 	<ul style="list-style-type: none"> I'm the Bin Lorry Driver- David Semple The Jolly Postman or Other People's Letters- Janet and Allan Ahlberg The Whales on the Bus- Katrina Charman When you're fast asleep, who works at night time?- Peter Arrhenius and Ingela P Arrhenius.
<p><i>Memorable first hand experiences</i></p>	<p><i>Opportunities for communication</i></p>
<ul style="list-style-type: none"> People with different roles in society can come into school and talk about their jobs. 	<ul style="list-style-type: none"> Children will role play as different people in society. Children can ask questions to any visitors who come and talk to them about their jobs.

Dereham Church of England Infant and Nursery Academy

Reasonable adjustments for pupils with SEND

<p style="text-align: center;"><i>Communication and Interaction</i></p> <ul style="list-style-type: none">• Pre-teaching of important geographical vocabulary/concepts.• Children could be given pictures/symbols for directions, to support giving and following directions.• Picture exchange system could be used to help give directions/instructions.• Children's ideas could be recorded in a variety of ways, drawings, pictures or by the adult scribing the child's verbal response.	<p style="text-align: center;"><i>Cognition and Learning</i></p> <ul style="list-style-type: none">• Digital photographs, line drawings and audio descriptions/videos of key locations can be a great supplement to the fieldwork experience and/or teaching about a particular place.• Pre-teaching of important geographical vocabulary/concepts.• Simplified maps of the key points/features could be used.• Children's ideas could be recorded in a variety of ways, drawings, pictures or by the adult scribing the child's verbal response.
<p style="text-align: center;"><i>Social, Emotional and Mental health</i></p> <ul style="list-style-type: none">• Children can explore the school and local area in a small group or with 1:1 if overwhelmed by the whole class being outside at once.• Adults to discuss upcoming fieldwork activities or trips around the local area to prepare children for the transition to a new place.• Children can explore a smaller area of school/town if overwhelmed by going to too many different places. Photos could also replace visiting certain places.• When presenting findings/their learning, some children could present to an adult/smaller group of people rather than whole class.	<p style="text-align: center;"><i>Sensory and Physical</i></p> <ul style="list-style-type: none">• When playing lessons that involve the outdoors e.g. walks around the local area/completing fieldwork, ensure that every child is able to access the route. Consider steps and ramps.• Enlarge maps to ensure they are easier to read/look at.• Children could wear ear defenders or bring comfort items when exploring the school and/or local area.
