Common misconceptions	Books linking to this area
 Children may find it hard at first to understand that we will be using our finger to draw a picture on an iPad rather than using pencil and paper. 	
Memorable first hand experiences	Opportunities for communication
 Children will all get to complete the 'drawing a pet' activity on Mini Mash using their class iPad licence. 	• Adult to ask the children questions about how they are creating their pet using Mini Mash.

Dereham Church of England Infant and Nursery Academy

Reasonable adjustments for pupils with SEND

 Communication and Interaction Make sure the children are using the correct equipment for them. Consider headphones to support the child to hear. Have someone available to read any text that is on the screen. 	 Cognition and Learning Consider adjusting the brightness and colour so they can see the screen more easily. Have someone available to read any text that is on the screen. Shorter steps given at appropriate time. Simpler logins. Adult to support with logging in. Print out which the different functions and tools on.
Social, Emotional and Mental health • Timer so they understand when they will need to log off. • Clear boundaries. • Online safety instructions made clear.	 Step by step guide printed out for them to refer to. Sensory and Physical Larger text/equipment. Print offs instead of screen time. Appropriate desk, chair, keyboard and mouse.
