

By the end of our children's RE journey at DCINA,  
we strive for them all ...

To ask questions about  
religion and belief.

To appreciate different  
cultures and religious  
beliefs.

To have and show respect  
for other people's beliefs.

To have an understanding  
and appreciation of key  
Christian values.

To build their sense of  
identity and belonging,  
helping them flourish.

To share their own  
thoughts, views and beliefs  
and know that they are  
valued,
